Swami Tadatmananda, one of few Westerners initiated into a traditional Hindu monastic order, has studied in the U.S. and India under Pujya Swami Dayananda Saraswati since 1981. A Sanskrit scholar and former computer engineer, Swami Tadatmananda draws upon contemporary scientific and psychological insights while unfolding sacred Sanskrit scriptures to endow the ancient spiritual teachings of India with a new relevance. His warmth, humor, and informal style make his teachings enjoyable and rewarding for all. **Lecture will be in English and we encourage everyone in the family to attend - especially children)**
